PARENT GUIDE

SHOW SUPPORT AND COOPERATION
• Attend every contest that is feasible. Being at the game is important to your athlete. Be positive and encouraging to your child and his/her teammates without adding undue pressure and unrealistic expectations.

• Belief in and support of the coach’s judgment, character, actions, strategy, and overall philosophy will help your child do the same. Please do not attempt to coach from the stands.

• Please remember that your testimony before man and God is on display while you are in the stands. Please be respectful of all those around you: coaches, referees, parents, visitors, children, etc. Be a role model for other parents and students alike.

• Let your child and his/her teammates know that you are supportive and believe in them regardless of individual or team performance in the contest.

COMMUNICATION
• If your child must miss a practice or game for family reasons that are unavoidable, please inform the coach as soon as possible.

• If you have a concern or question, please verbalize it to the appropriate person (most often the coach). Choose an appropriate time and do so in a positive way. Confronting a coach before or after a contest is not an appropriate time.

• Coaches are professionals. They make judgments based upon the best interest of the team. The coach must take into account all members of the team. Therefore, coaches will not discuss a child’s placement on the team, playing time, strategies used by the coach, or other student-athletes.

SPORTSMANSHIP FOR PARENTS AND SPECTATORS
It is important to make guests to our school activities feel welcome. All visitors should feel as though they have been treated fairly and dealt with in a sportsmanlike way. The skills of the visiting team should be recognized and appreciated. Everyone needs to work to create a positive atmosphere at CCA. The following behavior is not acceptable at any contest: booing or jeering, mocking or taunting, yelling negative comments to officials. Never confront officials or other participants during or following a contest. If a problem occurs, inform the school administration and allow them to deal with the situation. A game official or school administrator (or their designee) has the authority to remove any person from the confines of the athletic contest for unsportsmanlike behavior. The school may also deny them the privilege of attending future contests.

Your role as a parent and spectator is important. Support your athlete, your team and your school in a positive manner. Your efforts of support, communication, and sportsmanship are appreciated by the administration, coaching staff, and most of all, the athletes.
STUDENT GUIDE

Being a member of a California Crosspoint Academy athletic team is a privilege and not a right. By joining a team at CCA, you are making a choice of self-discipline and self-denial. Failure to comply with team or school rules of training and conduct, or failure to maintain academic requirements may result in dismissal from the team.

God calls us to strive for excellence in all that we do. Therefore, student-athletes at CCA are expected to display Christ-likeness in all they seek to achieve. The most important responsibility an athlete has is to be a good representative of God.

Another responsibility you assume as a team member is to your school. CCA cannot maintain its position of having an outstanding school unless you do your best in every activity in which you engage. By participating in athletics to the maximum of your ability, you are contributing positively to the reputation of the school. You can contribute greatly to school spirit and community pride. Make CCA proud of you, and others proud of your school, by your faithful demonstration of these ideals. Be an example of Christ!!!

REQUIREMENTS FOR PARTICIPATION

ACADEMICS
(High School) According to CIF by-law 204, a student is scholastically eligible if:

- The student is currently enrolled in at least 20 semester periods of work.
- The student passed in at least 20 semester periods of work at the completion of the last regular marking period.
- The student is maintaining minimum progress towards meeting the high school graduation requirements as prescribed by the governing board.
- The student has maintained, during the previous grading period, a minimum of passing grades which is defined as a 2.0 grade point average in all enrolled courses on a 4.0 scale.

CCA students must additionally maintain a 2.0 GPA with no D’s or F’s in order to compete in interscholastic sports. The GPA is based upon the most recent grading period (spring grades will be carried over into the fall). Ineligible students may not practice after school or be on the court or field during the games or matches. (THIS STANDARD WILL ALSO APPLY TO MIDDLE SCHOOL).

ACADEMIC PROBATION

1. (HIGH SCHOOL ONLY) Students earning a 2.0 GPA during the previous marking period and receiving a “D” in any class on their quarter grade will be placed on academic probation for the following quarter. Students will remain on academic probation for five (5) academic weeks of the season of sport. A student may seek for conditional eligibility (if their grades are at or above a 2.0 GPA with no D’s or F’s) by submitting a progress report signed by all of his/her teachers to the Athletics Advisor. Students whose 2nd semester grades from the previous academic school year which meets the 2.0 GPA standard but with a “D” grade, will be placed on academic probation in the fall season. This applies to all returning, incoming, and transfer students.

2. Students that begin their season of sport in good academic standing and then earn less than a 2.0 GPA or are on pace to receive a “D” or “F” in any class during the mid-quarter period will be placed on academic probation. After the first week of ineligibility, and with the consent of the parents, a student may appeal to the administration for conditional eligibility. If the conditional eligibility is granted, the student must submit weekly progress reports signed by all of his/her teachers to the Athletics Advisor indicating that the student has caught up in all classes and will be receiving at least a 2.0 GPA in the class. If a student falls behind in any class during this conditional period, he/she will return to ineligibility for a minimum of one week.

3. The administration may deny conditional eligibility to any student for whom, in its judgment, the benefits of extracurricular participation do not outweigh the cost of time lost from academics.

In addition to the academic probation policy stated above, administration may restrict participation in, and attendance to, any school activity based on poor academic performance or student conduct.
ATTENDANCE
Students must be in attendance for at least four classes or 3.5 hrs per day or they may not be allowed to participate in any athletic activities (practice, games, etc.). Exceptions are few, but may include scheduled doctor appointments, dentist appointments, etc. If a student is too sick to attend school, then they are too sick to practice or play in a game.

EARLY RELEASE FROM CLASS
It is the responsibility of athletes to communicate with their teachers before they depart because of an athletic contest. Teachers will receive a team roster with the names of all team members at the beginning of a season (their roster will be updated as needed). Athletes with an early release time should remind their teacher of this before class on the day of the event. Students are responsible for any and all work and tests missed due to an early release time. It is an athlete’s choice and privilege to leave school early to participate in athletics.

VACATION
Vacations by athletic team members during a sport season are discouraged. In the event an absence due to a vacation is unavoidable, an athlete must:
• Contact the head coach prior to the absence.
• Be willing to assume the responsibilities and consequences of missing tryouts, practices, and games.
Consequences will be at the discretion of the head coach; vacation policies will be reviewed by the head coach at the beginning of each season.

ADDITIONAL ELIGIBILITY REQUIREMENTS
Submission of the following forms to the Athletic Department or coach prior to the first day of practice/participation:
• Completed physical examination form (good for one calendar year) – HIGH SCHOOL ONLY
• Signed Parent Consent form
• Signed NCS ejection policy – HIGH SCHOOL ONLY
• Attendance with one parent/guardian at the Sportmanship/Coaches Meeting scheduled by the Athletics Advisor
• A completely signed athletic participation contract
• AGE LIMIT (CIF 201)
  No student whose nineteenth birthday is attained prior to June 15th shall participate or practice on any team in the following year. A student whose nineteenth (19th) birthday is on or before June 14th is ineligible.

CHANGE OF SCHOOLS – TRANSFER STUDENTS (HIGH SCHOOL POLICY)
A student may have transfer eligibility provided the student is compelled to move from any school to a CIF school due to a bona fide change of residence from one school attendance area to the attendance area of the new school by the parent(s) or legal guardian(s) with whom the student was living when the student established residential eligibility at the prior school.

Students who enter CCA after the first day of the tenth grade should talk to the Athletics Advisor to determine eligibility.
COMPETITION ON AN OUTSIDE TEAM – HIGH SCHOOL ONLY
A student on a high school team becomes ineligible if the student competes in a contest on an “outside” team in the same sport during the student’s high school season of sport. This includes club teams.

CONFLICTS WITH OUTSIDE CLUB TEAMS
Participation on your high school athletic team takes precedence over all other outside athletic activities. If conflict occurs, the high school event will come first. Athletes need to make sure that their participation in outside club sports in no way negatively affects the high school team on which they are participating, or they may be asked to leave that team.

ADDITIONAL RULES
Supervisors of co-curricular activities have the right to make rules tailored to their activity. Such rules must be submitted to the Athletics Advisor and the Principal before they are given to the students. This must be done at the beginning of the activity. Any disciplinary action above the minimums may be appealed to the administration. Any and all disciplinary action stemming from breaking training or eligibility rules must be reported to the Athletics Advisor and the Principal as soon as possible.

FINANCIAL OBLIGATIONS AND EQUIPMENT
- MS Athletic Fees - $200 per season
- HS Athletic Fees - $325 for 1st Sport, $300 for 2nd Sport, and $250 for 3rd Sport.
  Please note that athletic fees will not be pro-rated for a season. Students who are dismissed from the team, quit, or are on academic probation during their season will not have their fees refunded.
- Uniforms – in several sports, athletes will be required to purchase a portion of the game uniform, which will become their property. School issued uniforms are to be worn only for games or as designated by the coach.
- Equipment/Practice gear – Athletes are responsible for the proper care and security of equipment issued to them. All equipment not returned in good condition at the time requested at the end of the season will be subject to financial penalty and forfeiture of future participation.

CUT POLICY
When a student tries out for a team he or she may be faced with the cut system. By this we mean that only a certain number of players can make a team. If we cut a person, they are welcome to try out for another sport or try out again the following year.

VARSITY LETTERING
A California Crosspoint High School varsity letter can be earned in the following ways:
- Participating in a minimum of 50% of the contests in the season at the varsity level
- If the team competes in league playoffs or NCS Championships
- If the player is selected as an All League Player, any level
- At the discretion of the coach and/or Athletics Advisor
MINIMUM PARTICIPATION
In individual sports, an athlete must have participated for his/her school of enrollment in more than one-half (1/2) of the CIF-NCS permissible maximum individual points of the sport in order to participate in the CIF-NCS championship tournament in the sports of cross country, tennis, wrestling, track and field and swimming. League and conference may have additional requirements.

STUDENT AWARD LIMITATIONS
A high school student may not receive an athletic award for CIF high school competition of a combined total of more than one hundred dollars ($100) in value, from all sources. The total athletic award may be two hundred fifty dollars ($250) for league, section, or state championships. When a student participates in other than CIF competition in a CIF-approved sport, at any time other than the high school season of sport, the student is governed by the award rules of the amateur governing body for that sport.

TRANSPORTATION
A student must ride to all contests with the team on school provided transportation; but, may return from a contest with his/her parents or someone of the parents choosing, if prior written approval is obtained from the parent and approved by the principal and presented to the coach/advisor. A student may drive to a contest only if written permission is obtained from a parent prior to leaving campus and there is a valid reason for the student to drive. Verbal permission will not be accepted. A student may not stay overnight after a contest/game and meet the team the next day for the next contest. If the team does not stay overnight, all participants will return back to school.

DRUGS, ALCOHOL, TOBACCO, STEROIDS
If, while on or off campus and participating in a school or non-school activity, a student-athlete uses, sells, distributes, or is in possession of illegal drugs, alcohol, tobacco products, or steroids (that was not prescribed by a physician to treat a medical condition), he/she will be suspended from participating in athletics for the remainder of the school year, losing all rights and privileges, including awards and post season recognition. The student may also face discipline measures as stated in the CCA Student Handbook. It is the responsibility of the athlete/participant to report any citation/conviction of a violation of the alcohol/drug sections to the school.

DRESS
Students representing the school on activity trips must be dressed in a manner reflecting credit on themselves and the school. This means, no less appropriate attire than that required of students during regular school hours. The judgment will be made by the coach/advisor.

UNDUE INFLUENCE- RECRUITMENT OF ATHLETES
The use of undue influence by any person or persons to secure or retain a student or to secure or retain one or both parents/guardians of a student as residents may cause the student to be ineligible for high school athletics for a period of one year and shall jeopardize the standing of the high school in the CIF.
NATIONAL COLLEGIATE ATHLETIC ASSOCIATION
All student-athletes expecting to play NCAA Division I & II athletics must meet freshman eligibility standards established by the NCAA Initial- Eligibility Clearinghouse. Playing in college can be a very rewarding experience. It can also be a very challenging one where the students involved must be extremely responsible and pro-active in gathering the information they need to try out and participate. In order to participate in athletics in college, especially a Division I or II school, you need to fill out a core class worksheet and register with the NCAA clearinghouse online @ http://www.ncaa.org/student-athletes/future/eligibility-center.
