A Message to Our Students

Your School

California Crosspoint Academy is your school. Strange as this may sound to some of you, it is an inescapable fact that the reason why this school was created, the reason it still exists, the reason why teachers come to teach, and the reason we do what we do all centers around you - our students. Therefore, we only succeed if you succeed, and if you fail, we fail as well.

Your Progress

The unmistakable message is that the school administration, faculty, staff, and parents are all here to help and support you. The rules and guidelines in this Handbook are not barriers to your progress, but safeguards to give you the best possible opportunity for success. If you choose to ignore, challenge, or resist them, it will only cause you, your parents, and the school to be unhappy because none of us will accomplish our goal.

A Partnership

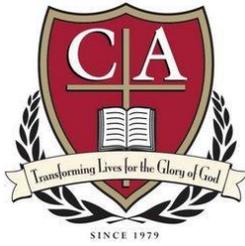

However, if we all work together in partnership, history has shown that our students reach incredible heights of accomplishment. Working together, we find little need to refer to the Handbook for rules because we can fashion our own solutions and solve our own problems. What does it take to work together? Communication, trust, respect, honesty, forgiveness, selflessness, and a host of other virtues extolled in the Bible.

Your Decision

The administration, faculty, and staff of California Crosspoint Academy are committed and dedicated to working with parents and students to accomplish our mutual goals. We want to govern by relationship, not by rule, but the choice is up to you. As California Crosspoint Academy students, you decide whether to accept our helping hand and guidance.

Our Hope

We hope that you, like thousands who have gone before, will work with us to see how God has wonderfully equipped you to fulfill His perfect plan for your life.

Our Christian Philosophy of Education

True education begins with an understanding that God is the ultimate reality and central unifying figure of all that exists.

Because God is also personal, every individual has a duty to know Him and to carry out His Will for his life. Education prepares a person to fulfill this responsibility to God.

Knowing God is achieved through salvation in Jesus Christ and Bible study, and results in wisdom and Christian character. By constant application of godly wisdom in all areas of life and study, students are equipped to become faithful servants of God, good citizens of society, and godly leaders at home.

The **responsibility for education** lies primarily with the individual, then with parents and the church who are given the responsibility of educating their young.

The Christian school serves as a **ministry to assist students**, parents, and the church in carrying out the universal responsibility of knowing God more and serving Him better.

This is an abridged version of the philosophy statement formally adopted by the school

All visitors must first check in with the school office and follow all stated guidelines. Guests should not go past the reception counter in the lobby until they have signed in and received a temporary pass.

Pick-Up & Drop Off ***

Procedures: All cars are to enter campus using the south driveway whether approaching from the south or north. For safety reasons, please observe the 5 mph speed limit whenever on campus.

Car Drop Off: *** Cars may drive forward to the unloading zone for students to disembark on the passenger side. Once out of the vehicles, students should stay on the designated walkway to enter the building. For safety reasons, cars may not double park, and students are not to exit on the driver's side of vehicles. Drivers may pull over out of the flow of traffic and park their vehicles in a marked stall.

Car Pick-Up: *** For safety reasons, no curbside pick-ups are allowed. All cars are to park in a marked stall.

Do not have cars backed onto Industrial Boulevard waiting to enter. Please pull forward and to the side to allow other cars to go around you.

School Bus: Students waiting for the school bus are to stand in line 12 feet away from the loading zone. Students are to go directly **to their lockers** and class after being dropped off and should not linger in the parking lot areas.

Bicycle: Students on bicycles are expected to obey all state and local regulations regarding the wearing of helmets, traffic rules of the road, and bicycle safety. Students are expected to dismount and walk their bicycles once they reach the curb/walkways.

The bicycle rack is located just inside the automatic gate on the south side of campus. Students are responsible for locking and securing their bicycles. California Crosspoint cannot be responsible for any theft or damage to one's bicycle.

Pedestrians: Students may enter campus from Industrial Boulevard. Once on campus, pedestrians should use the nearest walkway and head directly to class. For safety reasons, do not linger in the parking lot areas.

Lunch Time Rules: ***

Unless weather conditions prohibit, students may spend their lunchtime outdoors.

Students who wish to stay indoors during lunch may stay in the Student Union or assigned classrooms. Students who forget to bring their lunch will be charged for any provision the school makes for them.

Attendance Policies

Absences:

Whenever possible, parents or guardians are to notify the school

office ahead of time (in writing) of any student absence. If advance notification is not possible, parents or guardians must notify the school office within 24 hours of absence.

For students riding the school bus, notify your driver by leaving a message at

- (510) 995-5333

Call before 6:45 am.

If no notification is received regarding an absent student, the office will call the parents that same day. If the school must repeatedly verify a student's absence due to lack of notification, a fee may be charged.

The following does not constitute an excused absence or tardy and will be marked as an unexcused absence or tardy:

- Student overslept
- Student did not get out of the house on time
- Vacations
- Pre-purchased flights

Unexcused Absences:

Students will not be allowed to make up any tests, quizzes, or work due on the day of an unexcused absence.

An unexcused absence is deemed a "cut" and the consequences may include:

- 40 demerits
- Suspension

AP & Honors Classes:

Students in AP & Honors classes may miss no more than 7 class periods per quarter or 12 class periods per semester or they will be dropped from the class or lose the "honors" designation for the course. In all other classes, students must attend 75% of the class periods in order to earn credit. Students arriving more than 10 minutes late will be considered absent.

Tardies:

If a student arrives after the start of class (8:15 Ele, 8:25 MS/HS), he or she must obtain a tardy pass from the school office/receptionist first. HS students arriving more than 10 minutes late will be marked "tardy absence" which is equivalent to an absence.

Tardy Pass:

It is the responsibility of students to obtain a tardy pass when they are legitimately detained from attending class. In such circumstances, a tardy pass should be obtained from the staff member who can vouch for the legitimacy of the tardiness.

Unexcused Tardy:

Students will not be allowed to make up any tests, quizzes, or work they miss as a result of an unexcused tardy. Three unexcused tardies may result in:

- 5 demerits
- The lowering of one conduct grade each quarter.

Limit Per Quarter:

Excused tardies and/or absences will not have any negative consequence on a student's conduct grade. However, students will be permitted only 5 excused tardies and/or absences per quarter without academic consequences.

On the 6th and all additional excused tardies or absences in a quarter, the student will not be allowed to make up any missed class work unless a doctor's note of excuse is submitted to the office upon the student's return.

Early Release:

Parents are to inform the office by note or phone call **before 9 am** if they need

to pick up their child before regular dismissal time.

The school will only release students to parents and drivers authorized by parents. For safety reasons, photo identification may be requested.

- **Please sign-in at the front desk or office**
- **Enter the building through the front door only**
- **Do not go directly to the classrooms**
- **Student will be sent from class to meet you.**

Extended Vacations and Flight Arrangements:

It is not recommended for parents to remove students from school for early or extended vacations. While some accommodation can be made by teachers, students will not benefit by missing the classroom learning environment even by keeping up with class work independently.

- If an accommodation is necessary, parents are responsible to pay fees in advance for any additional cost incurred up to \$100 per day.
- There will be a \$75 fee for each early final a student must take.
- Refer to the school calendar before planning vacations and booking flights.

Health and Safety

Required Records:

All students must show proof of immunization. All 6th & 9th grade

students are to have a current physical examination on file prior to entering. All other students must have documentation on file of a physical examination performed within the past 3 years.

No student can attend classes without this completed report:

- **Student's Physical Examination Report**

Other forms required are:

- **Emergency Information**
- **Immunization Record**

It is important to inform the school of **changes** regarding a student's health (i.e., recent operations) or health care provider (i.e., new doctor or plan).

Students with **special health or dietary needs** and/or **food allergies** must report it to the school nurse whether they purchase lunch or not.

Communicable Disease or Condition:

California Crosspoint Academy seeks to maintain a healthy school environment by instituting controls designed to

prevent the spread of communicable diseases and conditions.

The term "communicable disease" shall mean an illness or condition which arises as a result of a specific infectious agent which may be transmitted either directly or indirectly by a susceptible host or infected person or animal to other persons.

Any person with a communicable disease or condition for which immunization is required by law or is available, shall be temporarily excluded from school while ill and during recognized periods of communicability.

Persons with communicable diseases for which immunization is not available shall be excluded from school while ill.

If the nature of the disease and circumstances warrant, the school may require an independent physician's examination of the person to verify the diagnosis of communicable disease or condition and to recommend terms and conditions for that person's presence on campus.

California Crosspoint Academy **reserves the right** to make all final decisions

necessary to enforce this policy and to take all necessary action to control the spread of communicable diseases and conditions within the school.

Mandatory Child Abuse Reporting:

State law mandates school staff to report to the proper authorities all suspected incidents of child abuse or neglect.

Unless a civil authority instructs otherwise, it is our practice to contact parents at the earliest opportunity whenever a report is made.

Prescription Drugs: State law prohibits children from possessing prescription drugs on campus. Students needing to take medication during the school day must give it to a school official, along with a written note of instructions from a parent or doctor.

The school will call in the student to take the medicine at the designated time. The medication should be in its original container.

Health & Safety Practices:

California Crosspoint promotes good health choices by prohibiting (except for parties, outings, etc.) gum, and the consumption of soft drinks or candy.

Parents are asked to set a good example and refrain from smoking while on campus and to always observe traffic rules and regulations.

California Crosspoint Academy promotes a safe, healthful, and inclusive environment for all students. To that end, we have instituted an Allergen Aware campus policy that asks all members of the school community to be mindful of any potential allergens which could adversely affect others. Furthermore, the elementary and preschool programs exclude all peanut/nut products from refreshments, snacks, or goodies provided for others during school or class functions, parties, and events. Baked and cooked products purchased from a store or homemade are not necessarily safe, so please remember to check all labels and ingredients carefully (e.g., check for peanut oil, traces of peanuts). Thank you for your cooperation and understanding.

Academic Policies

Curriculum Policy:

California
Crosspoint
Academy is
committed to

providing the finest Christian curriculum available for its students. The materials, activities, events, and excursions that comprise the curriculum are judged according to their value in furthering the school's Christian Philosophy of Education. Each item is evaluated as a whole and in light of the other influences that make up the curriculum.

What makes a curriculum "Christian" is not the beliefs of the author, publisher, or event organizer. A Christian curriculum has a Biblically based design in its scope and sequence of educational experiences. Thus, it is the teacher, the "pattern-maker" of educational experiences, who is key in providing a Christian curriculum. Christian textbooks that present subject matter from a Biblical perspective are an invaluable help.

Sometimes secular materials and activities, supplemented with materials

to provide a Biblical perspective, prove to be more helpful to teachers. To the extent they teach truth, secular works may be part of the overall design of the Christian curriculum since God is the source of all truth. Whether Christian or secular materials are used, teachers must first establish a solid Biblical foundation for their curriculum. The measure of a Christian curriculum is not the sum of its parts, but its consistency as a whole to God's Biblical pattern for that subject.

Grading Policy: California Crosspoint disavows the practice of grading "on a curve". There are no "class averages" which require some students to pass and some to fail. We also expressly disavow "grade inflation" where students' grades are artificially raised to make a student or teacher falsely appear to be more successful than they are in reality.

Grading Scale & Points:

97 - 100% A+ 4.0 Excellent
93 - 96% A 4.0
90 - 92% A- 3.7

87 - 89% B+ 3.3 Good
 83 - 86% B 3.0
 80 - 82% B- 2.7

77 - 79% C+ 2.3 Average
 73 - 76% C 2.0
 70 - 72% C- 1.7

67 - 69% D+* 1.3 Below Average
 63 - 66% D * 1.0
 60 - 62% D-* 0.7
 0 - 59% F * 0.0 Fail

* Non-passing for college admissions.

Non-Letter Grades: On occasion, certain subjects, such as electives, are graded on a Passed/ Not Passed (P/NP) basis. However, other non-letter grades may be issued in special situations:

“I” = Incomplete: Due to circumstances beyond a student’s control, he/she may not be able to complete a course by the end of the grading period. In these situations, a teacher may issue an “I” for quarter and/or semester work. This is issued with the understanding between teacher and student that the student will make up the work within a specified time frame to complete the course or the “I” grade will be converted into an “F”.

“NG” = No Grade: An “NG” is issued only after the administration has decided a grade would not accurately or fairly

reflect a student’s effort and/or abilities. An “NG” will not affect a student’s GPA and will not convert into an F.

“W” = Withdrawal: Students will need to give colleges they apply to an explanation for the “W,” which indicates a student failed to complete a course without adequate justification.

Honors & Advanced Placement: High School Students receiving a grade of “C-” or better may earn an extra grade point (e.g., 5.0 for an A) for UC-approved Honors level or Advanced Placement (AP) classes.

It should be noted that colleges select and calculate GPA according to their own standards.

AP courses are equivalent to college level courses offered to qualified high school students. Check with the Academics Advisor, College Advisor, or individual colleges regarding transferable units upon passing the College Board AP exams.

Guidelines for Planning AP/Honors Classes: In addition to fulfilling the prerequisites for the class, the overall strength of the student’s academic record is used to help determine the course load for a student. The following guideline is in place for juniors and seniors:

2.7-3.0 1 AP/Honors Class

3.0-3.5 2 AP/Honors Classes

3.5-4.0 3 AP/Honors Classes

Course of Study: The courses of study at California Crosspoint High School are composed of subjects selected to meet the high standards and demands of Biblical education, which prescribes that the individual be **“thoroughly furnished unto every good work”**

II Timothy 3:16, 17

The college preparatory courses will prepare students for the entrance requirements at the university level. All students are required to be enrolled full-time and take the full complement of classes, including Bible, Chapel, Physical Education, electives, etc., unless specifically exempted by administration.

Course Selection & Changes: Students' class registration and requests for class changes must be done timely and approved by the Administration. See the Academics Advisor for current policies and procedures.

Adding Classes: A student may request to add an academic class if the completed “Request for Changes in Schedule Form” is received and approved by the Academics Advisor at the start of the new school year. The class change fee may apply.

Dropping Classes: A student may request to drop an academic class if the completed “Request for Change in Schedule Form” is received and approved by the Academics Advisor before the first day of the 2nd and 4th quarters. The class will not appear on the student's transcript. A student may not drop a class after the first day of the 2nd and 4th quarters.

Challenging a Course: Students generally will not receive credit from CCA for a class not taken at CCA. There are very limited exceptions to this rule and they must be approved in advance. Requests to challenge a course or to receive credit for classes taken off site should be made far in advance of registration to avoid any misunderstanding or disappointment.

Requirements for Promotion & Graduation: A 1.7 grade point average (C-) is required before students may be promoted from one grade to the next.

Before a high school diploma can be granted, Senior High School students must earn a minimum GPA of 1.7, throughout grades 9th to 12th, with a minimum of 34 units of course credits.

The School Board and the Administration have the prerogative to

deny readmission to any student who is failing to meet the promotion or graduation requirements of the school.

Opportunities to meet the academic requirements may be extended to failing students by placing them on academic probation.

Academic & College Advising: CCA provides staff and resources to assist students and families in their academic and college planning and decision-making.

It is very important that students and families **plan early** and take the initiative in investigating options and information. Due to limited resources, CCA staff cannot provide all the individual attention students and parents may desire at the moment it is requested. The school conducts several meetings each year to provide information on academic and college planning.

Those students and families who have been diligent in attending these meetings and in pursuing “self-help” will be given priority when allocating staff time for specific assistance.

Co-Curricular Activity Participation: California Crosspoint Academy seeks to help students develop their God-given

talents and abilities in a broad and comprehensive range of areas. The school therefore offers a wide variety of co-curricular activities for student participation.

However, it is important for students to maintain the proper balance and priorities in their stewardship of time regarding home, school, church, work, and other obligations. It is the parent’s duty to monitor a child’s involvement in co-curricular activities. However, the school will assist by limiting participation in co-curricular activities based on a student’s proven ability to uphold his academic responsibilities.

Therefore, students will be placed on Academic Probation if:

- Earning below a 2.0 GPA during the previous marking period or
- receiving a grade lower than a C- in any class.

In these circumstances a student may seek conditional eligibility if they maintain a 2.0 GPA or better, with no D’s or F’s during the current quarter. Conditional eligibility students must submit a progress report signed by all of his/her teachers to the Co-curricular Advisor.

If a student in good academic standing falls below a 2.0 GPA or drops below a C- in a class mid-quarter, the student may appeal to the administration for conditional eligibility with the consent of their parents. Upon approval, the student must submit weekly progress reports signed by all of his/her teachers to the Co-curricular Advisor indicating that the student is on track and will be receiving at least a 2.0 GPA in the class.

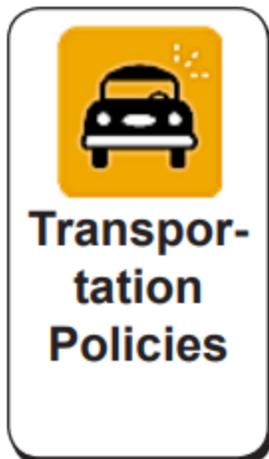

If a student falls behind in any class during this conditional period, he/she

will return to ineligibility for a minimum of one week.

Minimum length of Academic Probation will be one week.

Please refer to the sports handbook for more details on sports team participation.

In addition to the academic probation policy stated above, administration may restrict participation in and attendance to, any school activity based on poor academic performance or student conduct.

Transportation Policies

Campus Flow of Traffic:

Due to the large number of cars, buses, passengers, and pedestrians that must share

the parking lot, it is extremely important that every individual adhere to the established rules regarding the flow of traffic before and after school.

Once students are on campus, they are not to be in the parking lot area, unless required by school or class activities. Students are to proceed directly to or from the vehicles.

- **Do not socialize in the parking lot area.**

Parents may park their vehicles or pick up and drop off their children from the **designated loading/ unloading zone**. Students are not to attempt boarding vehicles that are still moving in the flow of traffic.

There is to be no running or playing in the parking lots or waiting area.

Student Conduct

California Crosspoint Academy is concerned with the Christian character of

its students as reflected in their **conduct**. Christian self-government is the rule and standard at California Crosspoint Academy. The policies outlined are designed to instruct students in the proper management of themselves, their property, and their liberty.

Student Conduct & the School Learning Environment:

California Crosspoint Academy believes it is crucial to teach and impart Christian Education in an environment that supports, esteems, and nurtures those same values and beliefs.

Therefore, the school maintains the right to improve the learning environment for each student by making changes in a student's interaction with the school's staff, facilities, academic program, and student body.

It is well documented that classmates play a major role in the values, influences, and attitudes that are imparted in the school environment.

- **All students are therefore expected to respect and promote each other's desire for a Christian education by being a positive influence on his/ her classmates, whether on or off campus.**

In some extreme circumstances, a student may be asked to withdraw or an alternative learning arrangement may be implemented in order to provide that student with the proper learning environment and/or to maintain the proper learning environment for others.

Teacher-Student Interaction

- **Addressing staff:** All students must address staff by Mr., Mrs., or Ms
- **Transportation:** Students and their families are responsible for providing transportation, outside of staff, to and from all school events.
- **Personal events:** Teachers and students must maintain a professional relationship. Therefore, students and their families should understand, while staff appreciates invitations to personal events, that they may choose to decline.

Lockers:

Lockers are assigned to each student for the temporary storage of textbooks, school supplies and personal property

during the school day. They are the property of California Crosspoint Academy and are made available for the use and convenience of students.

Students may be charged for damaged or dirty lockers requiring repair or cleaning. The student assumes full liability for any property stored on campus, including things placed inside lockers. Any loss, theft or damage of property stored in the lockers is the student's responsibility.

The following rules and regulations shall govern the use of the lockers:

Locks: Students may receive one of the two locker types, one with built in locks or one with attached padlocks. Students receiving lockers with built-in locks may not attach additional locks. Any attached lock found on these lockers will be removed.

Access: ***Students may not gain access to any locker other than their own. Students may use lockers before school, during passing periods and lunch, and after school until 5 pm. Students are NOT to share combinations with other students.

Maintenance and Inspections: Lockers are to be kept clean and orderly at all times. No permanent decorations are allowed on or in the lockers. Students shall not kick, hit, strike, or slam lockers.

There will be locker inspections by Administration, both announced and unannounced, to ensure their maintenance and proper use. Locker organizers (available from Target, Wal-Mart, etc.) are highly recommended.

All individuals entering onto the campus should take note that the premises are protected by a video surveillance system. School officials routinely monitor campus public areas and video images are recorded for future reference if needed.

Students, student belongings, and student possessions may be subject to reasonable inspections, searches, and seizures as determined by school administration to ensure compliance with school rules and policies.

Electronic Devices: Electronic devices, such as laptops, tablets, smart watches, etc. may be brought onto campus. Such items may only be used for instructional and educational purposes, not for private entertainment. Electronic devices may be confiscated if used inappropriately.

Cell Phones: When classes are in session, cell phones and other communications devices are to be turned off, stored away, and not displayed in public. Students may not

receive or send communications on these devices during classroom hours without prior permission from administration or the school office. Cell phones may be confiscated if used without permission.

Sexual Harassment: California Crosspoint Academy believes, as a matter of faith, that God loves all people, that He desires everyone to be saved, and that as Christians, we are to love all people, live peaceably with all people, and do good to all people, especially those of the household of faith. **In our dealings with others, we are to bestow honor, respect, and Godly love,** preferring others before ourselves, and loving our neighbor as ourselves.

Consistent with these beliefs, the school has adopted formal sexual harassment policies addressing employee-to-employee, employee-to-student, and student-to-student relationships. These policies are to be included in the Employee, Faculty, and Student handbooks. They are to be implemented as described below, consistent with the Articles of Faith and By the Laws of California Crosspoint Academy.

Confiscated items shall be returned to the student at the end of the day through the school office. Students may be subject to disciplinary action.

Traffic Pattern for Student Drop-Off and Pick-Up

- Please only use the south driveway for entering campus whether approaching from the south or the north.
- Do not have cars backed onto Industrial Boulevard waiting to enter. Please pull forward and/or allow other cars to go around you.
- The campus speed limit is 5 mph. Do not impede traffic flow and park in a marked parking stall if your stop will be any longer than momentary.
- Students should load and unload through passenger side doors. To save time, students should try to have all belongings with them and not need to access car trunks.
- Only exit campus from the north driveway and turn right onto Industrial Boulevard.

Note: During construction, traffic pattern for drop-off and pick-up may change. Please follow most current announcements and personnel directing traffic.
